

# Woven Glass / Pendant Lamp Elisa Strozyk

**Small**  
H32 x W20 x D10 cm

**Medium**  
H42 x W34 x D10 cm

**Large**  
H64 x W40 x D10 cm

---

**Woven Glass / Pendant Lamp** Elisa Strozyk is approaching the material glass in applying the traditional technique of weaving. Weaving normally requires a material that is flexible, like yarns which can bend easily. To reach the same effect colored glass stripes need to be pre-formed in the kiln to allow the process of interweaving different layers of glass. Transparent color gradients overlap and mix under the influence of light to form a textured glass surface.
